Curriculum Vitae

John Vandivier received his Ph.D. in Economics from George Mason University (GMU) in 2021. John specialized in the fields of Austrian Economics and Public Choice Economics during his doctoral studies. His dissertation includes a focus on applied microeconomic analysis, education economics, statistical analysis, and light experimental analysis. In 2015, John earned a Master of Public Policy (MPP) with an emphasis in Fiscal Policy from George Mason University. John received a Bachelor of Science (BS) with a double major in Economics in Political Science from the University of Houston in 2012. John is currently employed as a Principal Software Developer affiliated with Blue Cross Blue Shield of North Carolina.
